Join us for Safe + Sound Week, August 12-18, 2019

Safe + Sound Week is a nationwide event held each August that recognizes the successes of workplace safety and health programs and offers information and ideas on how to keep America's workers safe.

Why Participate?

Successful safety and health programs can proactively identify and manage workplace hazards before they cause injury or illness, improving sustainability and the bottom line. Participating in Safe + Sound Week can help get your program started, energize an existing one, or provide a chance to recognize your safety successes.

Who Participates?

All organizations looking for an opportunity to recognize their commitment to safety are welcome to participate. Last year, more than 2,700 businesses helped to raise awareness about workers' health and safety!

Participating is as easy as 1-2-3!
